Dear Lougheed Resident or Business Owners:

Please be advised, due to the main water line breakage the Village of Lougheed is **UNDER BOILED WATER ADVISORY**, all water consumed which means drinking, cooking, washing food as well as brushing your teeth, water is to be boiled for 3 (three) minutes. Boil water even if it is filtered. This is to come into effect immediately after water is turned on. This procedure **MUST BE** complied with for 48 hours for your **safety**.

The Village of Lougheed Facebook page and web site is being updated as the job progresses.

If you have any further questions or concerns contact the village office at 780-386-3970.
