**PART 1 - ENACTMENT****1.1 TITLE**

The title of this Bylaw shall be the Land Use Bylaw of the Village of Lougheed.

**1.2 PURPOSE**

The purpose of this Bylaw is to regulate and control the use and development of land and buildings within the Village to achieve the orderly and economic development of land, and for that purpose, amongst other things:

- (1) to divide the Village into districts;
- (2) to prescribe and regulate for each district the purposes for which land and buildings may be used;
- (3) to establish a method of making decisions on applications for development permits including the issuing of development permits;
- (4) to provide the manner in which notice of the issuance of a development permit is to be given; and
- (5) to establish the number of dwelling units permitted on a parcel of land.

**1.3 APPLICATION**

This Bylaw shall apply to the whole of the Village of Lougheed being all lands and buildings contained within its corporate limits.

**1.4 EFFECTIVE DATE**

- (1) This Bylaw comes into effect upon the date of its third reading.
- (2) Land Use Bylaw No.705, as amended, is hereby repealed.

**1.5 CONFORMITY WITH THE BYLAW**

- (1) No person shall commence any development within the Village except in conformity with this Bylaw.
- (2) Compliance with the requirements of this Bylaw does not exempt any person from the requirements of any adopted Statutory Plan.

**1.6 OTHER LEGISLATIVE REQUIREMENTS**

- (1) In addition to this Bylaw, an applicant is responsible for complying with any other applicable federal, provincial, or municipal legislation or law. The applicant is also responsible for complying with the conditions of any caveat, covenant, easement or other instrument affecting a building or land.
- (2) The Village is not responsible for nor does the Village have any obligation whatsoever to determine what other legislation may apply to a development, nor to monitor or enforce compliance with such legislation.
- (3) The Development Authority shall not approve an application for a development permit that is not in conformity with the Village's Statutory Plans.

**1.7 SEVERABILITY**

- (1) In the event any portion of this Bylaw is found invalid by a Court of Law or is overturned by a superior jurisdiction, the validity of the remaining portions of the Bylaw shall not be affected.

**1.8 TRANSITION**

- (1) An application for a Subdivision, Development Permit or amendment to this Bylaw commenced prior to the coming into force of this Bylaw shall be evaluated under the provisions of the Village's Land Use Bylaw No. 705, as amended.

## PART 2 – INTERPRETATION

### 2.1 RULES OF INTERPRETATION

- (1) Where a word is used in the singular, such a word may also mean plural.
- (2) Where a masculine or impersonal pronoun or adjective is used, such a word may also mean the feminine or impersonal pronoun or adjective.
- (3) Where a word is used in the present tense, such a word may also mean the future tense.

- (1) The Development Authority is hereby established by Bylaw pursuant to the Act.
- (2) The Development Authority shall exercise development powers and duties on behalf of the Village.
- (3) The Development Authority shall be the Development Officer, or where the context of this Bylaw permits, the Council.

## PART 4 – DEVELOPMENT APPLICATION PROCESS

### 4.1 APPLICATION FOR DEVELOPMENT

- (1) An application for a development permit shall be completed and submitted to the Development Authority in writing, in the form required by the Development Authority, and shall be accompanied by:
  - (a) A site plan showing the legal description; the front, rear, and side yards, if any; any provision for off-street loading and vehicle parking; and access and egress points to the site;
  - (b) The presence of abandoned oil and gas wells in accordance with the Subdivision and Development Regulation;
  - (c) The location and dimensions of all existing and proposed buildings, structures, or uses on the property;
  - (d) Statement of existing and proposed services (i.e. on-site or municipal);
  - (e) Identification of existing and proposed road infrastructure that will provide access to the development;
  - (f) A statement of the current and proposed use on the lands; and
  - (g) The authorization of the registered landowner.
- (2) The Development Authority may also require additional information in order to assess the conformity of a proposed development with this Bylaw before consideration of the development permit application shall commence. Such information may include floor plans, elevations and sections of any proposed buildings; drainage, grading and landscaping plans; and, in the case of the placement of an already constructed or partially constructed building on a parcel of land, information relating to the age and condition of the building and its compatibility with the District in which it is to be located. In addition, such additional information may include assessment by a registered professional engineer of any potential flooding or subsidence hazard that may, in the sole opinion of the Development Authority, affect the subject site.
- (3) Each application for a development permit shall be accompanied by a fee as established by Council.
- (4) All applications for development permits on sites within an area covered by an inter-municipal development plan shall be referred to the other municipality for comments and recommendation.
- (5) The Development Authority may make a decision on an application for a development permit notwithstanding that any information required or requested has not been submitted.

- (6) In the case where an application for a development permit has been refused pursuant to this Bylaw or ultimately after appeal to the Subdivision and Development Appeal Board, the submission of another application for a permit on the same property and for the same or similar use of the land by the same or any other applicant need not be accepted by the Development Authority for at least six (6) months after the date of the previous refusal.

## **4.2 REFERRAL OF APPLICATIONS**

- (1) The Development Authority may refer for comment any matter or any application for a Development Permit to any authority he deems necessary.
- (2) Notwithstanding 4.2(1), the Development Authority may refer to any adjacent municipality for consideration and recommendation, any matter or any application for a Development Permit that relates to lands that abut the municipal boundary.
- (3) Notwithstanding 4.2(1), the Development Authority may refer development in proximity to a Highway:
  - (a) Applications for development located within 0.8 km of the right of way of a multi-lane highway or a major two-lane highway where the proposed development would have direct access from the highway shall be referred to Alberta Transportation for comment prior to any decision by the Development Authority;
  - (b) All applications for development located, within 150 m of the right of way of a minor two-lane highway where the proposed development would have direct access from the highway may be referred to Alberta Transportation for comment prior to any decision by the Development Authority.
- (4) Having received a reply on a matter referred to any authority, the Development Authority shall make a decision giving due consideration to the recommendations and comments received.
- (5) After thirty (30) days from the date of referral, the application may be dealt with by the Development Authority whether or not comments have been received.

## **4.3 DECISION PROCESS – DEVELOPMENT AUTHORITY**

- (1) In making a decision, the Development Authority may approve the application unconditionally, approve the application subject to conditions, approve the application for a limited period of time as specified in the approval, or refuse the application.
- (2) The Development Authority may require that as a condition of issuing a development permit, the applicant enter into an agreement in accordance with Section 650 of the Municipal Government Act to construct or pay for the construction of roads, pedestrian walkways or

parking areas which serve the development or which connect the walkway with another walkway system that serves or is proposed to serve an adjacent development, to install or pay for the installation of public utilities other than telecommunications systems or works, to pay an off-site levy, and/or to give security to ensure that the terms of the agreement are carried out.

- (3) In the case where a proposed specific use of land or a building is not provided for in any District in the Bylaw, the Development Authority may determine that such use is similar in character and purpose to the definition of a permitted or discretionary use prescribed for a particular District.
- (4) The Development Authority may approve an application for a development permit for new development or an application for a development permit that authorizes a non-conforming building to be enlarged, added to, structurally altered even though the proposed development does not comply with the regulations of this Bylaw, if, in the opinion of the Development Authority:
  - (a) the proposed development would not: (i) unduly interfere with the amenities of the neighbourhood, or (ii) materially interfere with or affect the use, enjoyment or value of neighbouring parcels of land, and
  - (b) the proposed development conforms to the use prescribed for that land or building in this Bylaw.
- (5) Upon receipt of an application, the Development Authority must review the application for completeness within 20 days of the application being received. The Development Authority shall provide the applicant either:
  - (a) A complete certificate, if in the opinion of the Development Authority, the application contains the information necessary to review the application;
  - (b) An incomplete certificate if in the opinion of the Development Authority, the application is incomplete. An incomplete certificate shall specify:
    - (i) the additional information that the Development Authority will require in order for the application to be considered complete;
    - (ii) the deadline for submission of the additional information or at such other later date as agreed between the applicant and the Development Authority; and
    - (iii) any other information identified as being necessary by the Development Authority
  - (c) Applications that have been issued an incomplete certificate, will be
    - (i) Issued a complete certificate shall be issued once the Development Authority receives the necessary information.
    - (ii) deemed refused if an applicant fails to submit all the outstanding items indicated as being outstanding in the incomplete certificate by the deadline set in the incomplete certificate, If an application is deemed refused the Development Authority shall issue a Development Permit refusal. The refusal must give

reasons for the refusal.

- (d) Despite the issuance of a complete certificate or incomplete certificate, the Development Authority may request additional information from the applicant if, in the course of reviewing the application, the Development Authority determines that additional information is necessary to review the application.
- (6) An application for a development permit shall, at the option of the applicant, be deemed to be refused if a decision on the application is not made by the Development Authority within forty (40) days after receipt of the complete application by the Development Authority. The person claiming to be affected by the deemed refusal may appeal in writing as provided for in Part 4 of this Bylaw as though he has received a refusal at the end of the forty (40) day period. The Development Authority and the applicant, may in a written agreement extend the 40 day period in which the Development Authority is to make a decision on the application.
- (7) A Development Authority may suspend or revoke a development permit in writing to the applicant at any time:
- (a) Where the permit was issued on the basis of incorrect information, fraud, non-disclosure, or misrepresentation on the part of the applicant; or
  - (b) Where the permit was issued in error.
- (8) If an application is made for a development that is identified as a temporary development in a land use bylaw, the Development Authority:
- (a) May consider and approve a development for a specific period of time, not exceeding one year;
  - (b) Shall impose a condition on such a permit that the Village is not liable for any costs involved in the cessation or removal of the development at the expiration of the time period stated in the permit; and
  - (c) May require the applicant to post acceptable security guaranteeing the cessation or removal of the development. The amount of the security shall be the greater of 25% of the value of the structure or \$1,000.

#### **4.4 DECISION PROCESS – SUBDIVISION AUTHORITY**

- (1) Upon receipt of an application for subdivision, the Subdivision Authority must review the application for completeness twenty (20) days of the application being received. The Subdivision Authority shall provide the applicant either:
- (a) A complete certificate, if in the opinion of the Subdivision Authority, the application contains the information necessary to review the application;
  - (b) An incomplete certificate if in the opinion of the Subdivision Authority, the application is incomplete. An incomplete certificate shall specify:
    - (i) the additional information that the Subdivision Authority will require in order for the application to be considered complete;

- (ii) the deadline for submission of the additional information or such other later date as agreed between the applicant and the Subdivision Authority; and
    - (iii) any other information identified as being necessary by the Subdivision Authority
  - (c) Applications that have been issued an incomplete certificate, will be
    - (i) Issued a complete certificate once the Subdivision Authority receives the necessary information.
    - (ii) deemed refused if an applicant fails to submit all the outstanding items indicated as being outstanding in the incomplete certificate by the deadline set in the incomplete certificate. If an application is deemed refused the Subdivision Authority shall issue a notice to the applicant that the subdivision application has been refused. The refusal must give reasons for the refusal.
  - (d) Despite the issuance of a complete certificate or incomplete certificate, the Subdivision Authority may request additional information from the applicant if, in the course of reviewing the application, the Subdivision Authority determines that additional information is necessary to review the application.
- (9) An application for a subdivision shall, at the option of the applicant, be deemed to be refused if a decision on the application is not made by the Development Authority within forty (40) days after receipt of the complete application by the Development Authority. The person claiming to be affected by the deemed refusal may appeal in writing as provided for in Part 4 of this Bylaw as though he has received a refusal at the end of the forty (40) day period. The Development Authority and the applicant, may in a written agreement extend the 40 day period in which the Development Authority is to make a decision on the application.

#### **4.5 VARIANCE AUTHORITY**

- (1) Notwithstanding 4.3(3) the Development Authority may approve an application for a development permit for a development that is a Permitted or Discretionary Use, but that does not otherwise comply with the provisions of this Bylaw, if in the opinion of the Development Authority:
  - (a) The proposed development would not unduly interfere with the amenities of the neighbourhood.
  - (b) The proposed development conforms with the use prescribed for that land or building in this Bylaw;
- (2) In addition to the considerations provided under 4.4(1), a variance may only be granted if, in the opinion of the Development Authority:
  - (a) The variance requested maintains the intent and purpose of the Municipal Development Plan;
  - (b) The variance requested maintains the intent and purpose of this Bylaw;
  - (c) The variance is desirable for the appropriate and orderly development or use of the land; and

- (d) The variance, in the opinion of the Development Authority, is truly minor in nature.
- (3) All requests for a variance shall be accompanied by a letter from the applicant clearly stating the reasons for the variance, outlining the applicable criteria identified in 4.4(3), and the nature of the hardship incurred if the variance is not granted.
- (4) If a variance is granted pursuant to this Section, the Development Authority shall specify its nature in the Development Permit approval.
- (5) The maximum variance that may be granted by the Development Authority for a new development is 20%.
- (6) The maximum variance that may be granted by the Development Authority for an existing structure is 35%.

#### **4.6 DEVELOPMENT PERMITS AND NOTICES**

- (1) A development permit does not come into effect until twenty-one (21) days after the date a decision or development permit is publicized as described in 4.5(5) through 4.5(8). Any development proceeded with by the applicant prior to the expiry of this period is done solely at the risk of the applicant.
- (2) Where an appeal is made pursuant to Part 4 of this Bylaw, a development permit which has been granted shall not come into effect until the appeal has been determined and the permit has been confirmed, modified or nullified thereby.
- (3) When a permit has been issued for the development of a permitted use, and no provisions of this Bylaw have been relaxed or varied, or when Council makes a decision on a development permit application within the DC District, no notification shall be given of the decision except to the applicant.
- (4) When a Development Permit has been issued for a Permitted Use, with or without conditions, the Notice of Decision must be delivered to the applicant and may be posted at the Village office.
- (5) When a Development Permit for a Permitted Use requiring a variance or a Discretionary Use is approved, with or without conditions or variances, the Notice of Decision must be given to the applicant.
- (6) In addition to 4.6(6), the Development Officer may, at their discretion, do any or all of the following:
  - (a) Immediately post a notice of the decision conspicuously on the property for which the

- development permit application has been issued; and/or
- (b) Immediately mail a notice in writing to all owners of land adjacent to the subject site; and/or
  - (c) Advertise a notice of the decision to be published on the Village of Loughheed's administration office bulletin board.
  - (d) Advertise a notice of the decision to be published on the Village of Loughheed's website.
- (7) The notice indicated in Subsection 4.6(7) shall state:
- (a) the legal description and the street address of the site of the proposed development,
  - (b) the land use designation of the subject development,
  - (c) any discretion that was granted in the approval of the development, whether by use or by interpretation of this Bylaw, and any variation or relaxation in regulation that was made by the Development Officer when the development permit was approved,
  - (d) the date the development permit was issued, and
  - (e) how an appeal may be made to the Subdivision and Development Appeal Board and the deadline for such appeal.
- (8) If the development authorized by a permit is not commenced within twelve (12) months from the date of the issue of the development permit, and completed within three (3) years of the date of issue, the permit is deemed to be void, unless an extension to this period is granted by the Development Authority.
- (9) When the Development Authority refuses an application for a development permit, the decision shall contain reasons for the refusal.

#### **4.7 DEVELOPMENT AGREEMENTS AND SECURITIES**

- (1) Where a development permit has been granted for the development, as a condition of approval, the applicant may be required to provide a cash security, in the sum outlined in current Master Rates and Schedule Bylaw, to ensure the completion of any repairs to Village property. The Village may draw on this security to cover the costs of any repairs to Village property in the event the applicant fails to complete the repairs within thirty (30) days of being notified by the Village of the damages.

- (2) The Village may require, any applicant to enter into a development agreement to construct or pay for the construction of public roadways or parking facilities, to install or pay for the installation of utilities and/or to pay an off-site levy imposed by bylaw or any other conditions as deemed appropriate. This may involve the applicant posting security with respect to the development and paying for construction, where the development requires a road or traffic infrastructure improvement specifically to accommodate the development. The applicant for a development permit may be required to provide dust control adjacent to existing residences located on roads impacted by the development. The Development Authority may require that commercial vehicular traffic be limited to certain roads when gaining access to and from a site.

## **PART 5 – DEVELOPMENT APPEAL PROCESS**

### **5.1 APPEAL PROCEDURE**

- (1) The Subdivision and Development Appeal Board, as established by Village Bylaw, shall hear and make a decision on an appeal where a Development Authority:
  - (a) Refuses or fails to issue a development permit to a person within forty (40) days of receipt of the application, or
  - (b) Issues a development permit subject to conditions, or
  - (c) Issues an order under Part 6 of this Bylaw; and
    - (i) The person applying for the permit or affected by the order, or any other person affected by an order, decision or development permit of a Development Authority appeals to the Subdivision and Development Appeal Board.
- (2) Notwithstanding Subsection (1) above, no appeal lies in respect of the issuance of a development permit by the Council within a DC District, or for a permitted use unless the provisions of this Bylaw were relaxed, varied or misinterpreted.
- (3) An appeal shall be made by serving a written notice of appeal and submitted the applicable fee to the Secretary of the Subdivision and Development Appeal Board within twenty-one (21) days after:
  - (a) The date the order, decision or permit issued by the Development Authority was publicized in accordance with this Bylaw; or
  - (b) The forty (40) day period referred to in Section 3.3(5) of this Bylaw has expired.

### **5.2 APPEAL HEARING**

- (1) Within thirty (30) days of receipt of a notice of appeal, the Subdivision and Development Appeal Board shall hold an appeal hearing respecting the appeal.
- (2) The Subdivision and Development Appeal Board shall give at least five (5) days' notice in writing of the appeal hearing to:
  - (a) The appellant;
  - (b) The Development Authority from whose order, decision or development permit the appeal is made;
  - (c) Those adjacent land owners who were notified under this Bylaw and any other person who, in the opinion of the Subdivision and Development Appeal Board, are affected by the order, decision or permit; and
  - (d) Such other persons as the Subdivision and Development Appeal Board specifies.

- (3) The Subdivision and Development Appeal Board shall make available for public inspection before the commencement of the appeal hearing all relevant documents and materials respecting the appeal including:
  - (a) The application for the development permit, its refusal and the appeal therefrom; or
  - (b) The order of the Development Authority,
  - (c) As the case may be.
  
- (4) At the appeal hearing referred to in subsection (1), the Subdivision and Development Appeal Board shall hear:
  - (a) The appellant or any other person acting on his behalf;
  - (b) The Development Authority from whose order, decision or development permit the appeal is made, or if a person is designated to act on behalf of the Development Authority, that person;
  - (c) Any other person who was served with notice of the hearing and who wishes to be heard or a person acting on his behalf; and
  - (d) Any other person who claims to be affected by the order, decision or permit and that the Subdivision and Development Appeal Board agrees to hear or a person acting on his behalf.

### **5.3 APPEAL DECISION**

- (1) The Subdivision and Development Appeal Board shall give its decision in writing together with reasons for the decision within fifteen (15) days of the conclusion of the appeal hearing.
  
- (2) If the decision of the Development Authority to approve a development permit application is reversed by the Subdivision and Development Appeal Board, the development permit shall be null and void.
  
- (3) If the decision of the Development Authority to refuse a development permit application is reversed by the Subdivision and Development Appeal Board, the Development Authority shall forthwith issue the development permit in accordance with the decision of the Subdivision and Development Appeal Board.
  
- (4) If the decision of the Development Authority to approve a development permit is varied by the Development Appeal Board, the Development Authority shall forthwith issue the development permit in accordance with the decision of the Subdivision and Development Appeal Board.

- (5) A decision made under this part of the Bylaw is final and binding on all parties and all persons subject only to an appeal upon a question of jurisdiction or law pursuant to the Act. An application for leave to the Court of Appeal shall be made:
- (a) to a judge of the Court of Appeal; and
  - (b) within thirty (30) days after the issuance of the order, decision, permit or approval sought to be appealed.

## **PART 6 – BYLAW AMENDMENT PROCESS**

### **6.1 APPLICATION FOR AMENDMENT**

- (1) A person may apply to have this Bylaw amended by applying in writing, furnishing reasons in support of the application and paying the fee therefore required.
- (2) Council may at any time initiate an amendment to this Bylaw by directing the Development Authority to initiate an amendment.
- (3) All applications for amendment to the Land Use Bylaw shall be made to the Council and shall be accompanied by the following, namely:
  - (a) An application fee according to the governing fee schedule as amended from time to time by resolution of Council shall be submitted for each application, but if the proposed amendment is adopted by Council, Council may determine that the whole or part of the application fee may be returned to the applicant;
  - (b) A title search for the land affected or other documents satisfactory to the Development Authority indicating the applicant's interest in the said land;
  - (c) Drawings drawn to the satisfaction of the Development Authority, which shall be fully dimensioned, accurately figured, explicit and complete; and
  - (d) Any other information deemed necessary by the Development Authority.
- (4) Notwithstanding Subsection (3)(a) above, Council may waive payment of an application fee or any part thereof.
- (5) During deliberation on the Bylaw amendment application, Council may refer the application to such agencies as it considers necessary for comment.
- (6) Council may request such information as it deems necessary to reach a decision on the proposed amendment.

### **6.2 PUBLIC HEARING PROCESS**

- (1) All amendments to this Bylaw shall be made by Council, by Bylaw, and in conformity with the requirements of the Act with regard to the holding of a Public Hearing.
- (2) Prior to any Public Hearing, the Village shall give notice in accordance with the Act.
- (3) First reading of a proposed amendment is given before the Public Hearing, and Council may require that the applicant pay a fee for advertising according to the governing Master Rates and Schedule Bylaw schedule as amended from time to time by resolution of Village.
- (4) Prior to any Public Hearing for a site specific land use bylaw amendment only, the Development Authority shall mail a notice in writing to all owners of land adjacent to the subject site.

## PART 7 – ENFORCEMENT

### 7.1 CONTRAVENTION

- (1) Where a Development Authority finds that a development or use of land or buildings is not in accordance with:
  - (a) The Act or the regulations made thereunder, or
  - (b) A development permit or subdivision approval, or
  - (c) This Bylaw;The Development Authority may, by notice in writing, order the owner, the person in possession of the land or buildings, or the person responsible for the contravention, or all or any of them to:
  - (d) Stop the development or use of the land or buildings in whole or in part as directed by the notice, and/or
  - (e) Demolish, remove or replace the development, and/or
  - (f) Take such other measures as are specified in the notice;
    - (i) So that the development or use of the land or buildings is in accordance with the Act, the regulations made thereunder, a development permit, subdivision approval or this Bylaw, as the case may be.
- (2) Where a person fails or refuses to comply with an order directed to him under Subsection (1) above or an order of the Subdivision and Development Appeal Board within the time specified, the Development Authority may, in accordance with Section 542 of the Act, with the support of a Peace Officer or Enforcement Officer, enter upon the land or building and take such action as is necessary to carry out the order. A person who contravenes or fails to comply with any provision of their development permit is guilty of an offence and is liable upon summary conviction of a fine.
- (3) Where the Development Authority carries out an order, the Council shall cause the costs and expenses incurred in carrying out the order to be placed on the tax roll as an additional tax against the property concerned, and that amount shall be collected in the same manner as taxes on land.
- (4) A person who contravenes or fails to comply with any provision of this Bylaw is guilty of an offence and is liable upon summary conviction to a fine not exceeding \$10,000.00 or to imprisonment for not more than one year, or to both fine and imprisonment, pursuant to Section 566 of the Act.
- (5) A Development Authority may suspend or revoke a development permit which has not been complied with, following notification, stating the reasons for such action.
- (6) In addition to the process and penalties described above, the Development Authority, Peace Officer, Bylaw Officer or any other person identified by the CAO for the purposes of this

Section, shall be authorized to inspect any development to confirm compliance, and if not in compliance to issue violation tickets in respect to any contravention of this Bylaw.

(7) Violation Tickets:

- (a) The Development Authority, Peace Officer, Bylaw Officer or any other person identified by the CAO for the purposes of this section, may issue a violation ticket to any person alleged to have breached any provision of this Bylaw.
- (b) The violation ticket shall specify the alleged offence committed by the person to whom the violation ticket is issued and require voluntary payment, or the option of a court appearance on a date specified, and will be dealt with thereafter at the court's discretion.
- (c) Persons contravening any provision of this Bylaw to whom violation tickets are issued shall be liable for a penalty of \$500.00 for a first offence and \$1000.00 for a second or subsequent offence within the same calendar year. Each day that a breach of the Bylaw has occurred may be considered to be a separate offence.
- (d) The violation ticket shall be served upon the alleged offender personally, or if the defendant cannot be conveniently found, by leaving it for the defendant at the defendant's place of residence with a person on the premises who appears to be at least 18 years of age. If payment is made within the time limit, then such payment shall be accepted in lieu of prosecution for the offence.
- (e) If a person who has been served with a violation ticket fails to pay the fine specified therein, then the right of the alleged offender to settle the alleged offence without a court appearance shall no longer apply and prosecution for the alleged offence shall proceed.

## **PART 8 – GENERAL REGULATIONS**

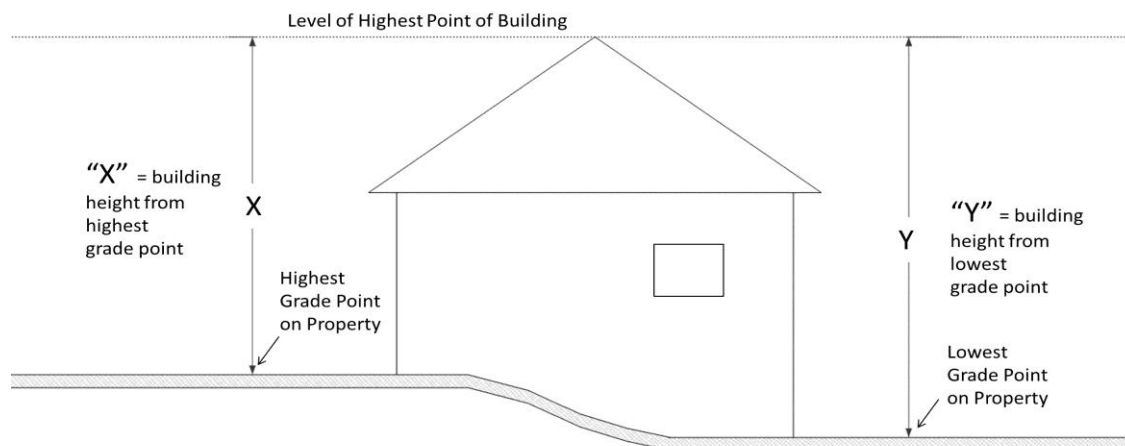

### **8.1 ACCESSORY BUILDINGS AND USES**

- (1) No person shall construct or utilize an accessory building except in compliance with this section.
- (2) All accessory buildings shall be located at least 2.0 m from any principal building.
- (3) An accessory building shall not be used as a dwelling unit.
- (4) An accessory building shall not be constructed within the required front yard setback area of any district.
- (5) Accessory buildings shall be constructed with exterior finish materials that compliment those of the principal building.
- (6) An accessory building shall not be located on an easement or utility right-of-way.
- (7) An accessory building shall not have a wall height exceeding 3 metres.
- (8) An accessory building shall not be developed or approved on a lot prior to the issuance of a development permit for the principal building or use on the lot.
- (9) Decks, balconies, sunrooms and the like shall not be constructed on top of an accessory building unless the setbacks of the accessory building comply with the allowable setbacks for the principal building in that district.
- (10) Accessory buildings under 15.0 m<sup>2</sup> in size and patios which are uncovered, and the walking surface is less than 0.6 m (2 feet) above grade are not required to meet the setback requirements for the District in which is it located.
- (11) An accessory building, over 15.0 m<sup>2</sup>, is required to meet the setback requirements for the District in which it is located.

### **8.2 BUILDING HEIGHT**

- (1) If the height of a building is required to be measured or determined, it shall be measured by calculating the average vertical distance between the natural grade, or the average natural grade in the case of a sloping grade, and the highest point of the building as determined under Subsection (2).
- (2) In determining the highest points of a building, the following structures shall not be considered to be part of the building: an elevator housing; mechanical housing; roof stairway entrance; ventilations; a skylight; a steeple; a smokestack; a parapet wall, or a flagpole or similar device not structurally essential to the building.

**FIGURE 8.2.1 – BUILDING HEIGHT CALCULATIONS**

$$\text{Height Average} = (X+Y)/2$$

### 8.3 CORNER AND DOUBLE FRONTING PARCELS

- (1) In all districts, a site abutting onto two streets or more shall have a front yard setback on each street in accordance with the front yard regulations of this Bylaw.
- (2) In all cases, the location of building on corner sites shall be subject to approval of the Development Authority who may, at their discretion, relax the front yard setback requirements taking into account the location of existing adjacent buildings or the permitted setback on adjacent sites where a building does not exist.
- (3) On corner parcels contiguous to a highway the Alberta Infrastructure Highway “Minimum Site Triangle” Design Guidelines shall apply.

### 8.4 CURB CUTS

- (1) The nearest edge of a proposed curb cut to the nearest curblines of the street intersection shall not be less than 12.0 m.
- (2) The maximum width of the curb cut shall not exceed 9.1 m in industrial districts and 6.0 m in all other districts, unless otherwise specified by the Development Authority for reasons of public safety or convenience.

## **8.5 DEVELOPMENTS ON OR NEAR SLOPES**

- (1) Notwithstanding the yard requirements prescribed in the land use districts, no permanent buildings shall be permitted within 20.0 m of the top of the bank of any waterbody and no development shall be permitted within 20.0 m of the top or bottom of an escarpment bank or slope where the grade exceeds 15% (fifteen percent).
- (2) The Development Authority may require greater setback than is prescribed in Section 8.5(1).

## **8.6 DWELLING UNITS ON A PARCEL**

- (1) The number of dwelling units allowed on any single parcel shall be one, except where additional dwellings are:
  - (a) Contained in a building designed for, or divided into, two or more dwelling units and is located in a land use district which permits multiple units; and
  - (b) A building defined in the Condominium Property Act (Chapter C-22, R.S.A. 2000) and all regulations and amendments thereto and is the subject of an approved condominium plan registered under that Act.

## **8.7 EMERGENCY ACCESS TO BUILDINGS**

- (1) Sites shall be so designed that, in the opinion of the Development Authority, appropriate access for firefighting equipment is afforded to all buildings, moreover,
  - (a) In the case of industrial, commercial, multiple family, or public or quasi-public sites, the distance between the fire hydrant and any driveway or access point shall be a minimum of 3.0 m. In the case of single family sites, the distance between the fire hydrant and any driveway or access point shall be a minimum of 1.85m; and
  - (b) No person shall in any manner obstruct the fire access to any hydrant, valve or curb stop. No vehicle, building, structure, or vegetation higher than 0.5 m, shall be placed within 1.5 m from a hydrant.
- (2) On at least two sides, one of which shall be the longest side, of any building used as an apartment building and which exceeds two storeys in height, there shall be firm level areas accessible for firefighting equipment for at least 75% (seventy five percent) of the length of

each of the two sides of the building. Such areas shall not be less than 4.25 m in width and not more than 3.0 m from the building, and no permanent structure or vehicular parking shall be permitted thereon.

- (3) A lane or lanes for the purpose of permitting the access of firefighting equipment to all major access points of shopping centre buildings shall be provided, and no permanent structures or vehicular parking may be permitted thereon.

## 8.9 EXISTING SUBSTANDARD LOTS

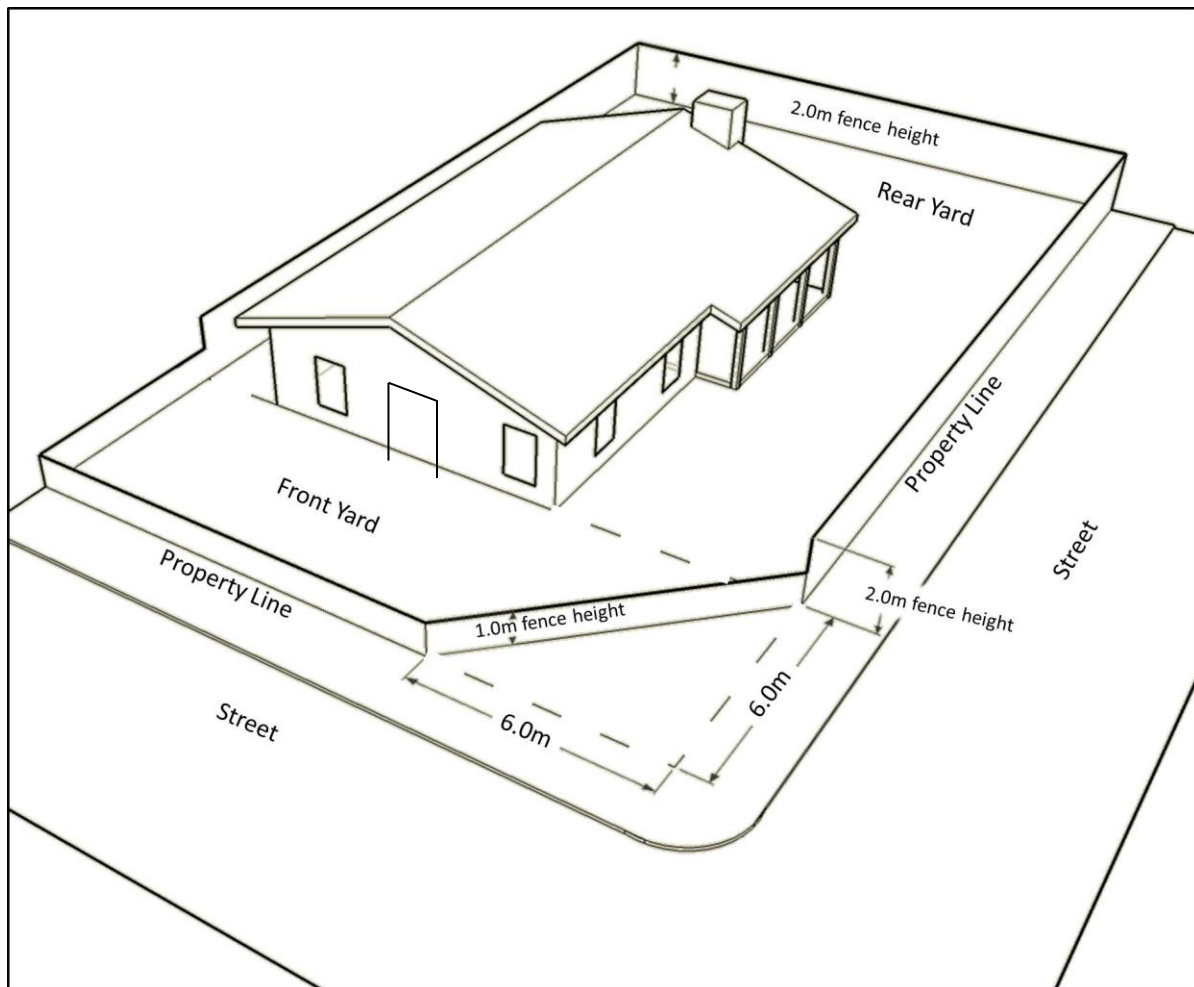

- (1) Development on existing substandard lots may be considered by the Development Authority who shall have due regard for compliance with the Safety Codes Act and its regulations prior to granting approval.

## 8.10 FENCES

- (1) In any district, except as herein provided,
  - (a) No fence shall be constructed that is located on public property;
  - (b) No fence shall be constructed that is:
    - (i) For internal lots, no higher than 2.0 m for the portion of the fence that does not extend beyond the foremost portion of the principal building on the site and 1.0 m for that portion of the fence that does extend beyond the foremost portion of the principal building on the lot;
    - (ii) For corner lots, as per Figure 8.10.1, fences shall be no higher than 2.0 m for the portion of the fence that does not extend beyond the foremost portion of the principal building if in the opinion of the Development Authority, it will not prejudice the safety and amenities of the adjoining lots. Fences shall be no higher than 1.0 m for the portion of the fence that does extend beyond the foremost portion of the principal building on the lot.
    - (iii) In the case of corner lots, no person shall construct a fence or other screening, including landscaping, more than 1.0 m high within the triangular area 6.0 m back from the intersecting front boundary lines of the lot, regardless of whether or not a corner cut-off has been taken; and
    - (iv) Where lots have both their front and rear yards facing onto a street, special approval of the Development Authority must be obtained prior to the erection of any fences on such properties. Size and specifications for fences in these areas must conform with the overall standard set for the area by the Village.
- (2) Apartments or row houses adjacent to a single detached residential dwelling shall provide a wooden fence, or other such screening approved by the Development Authority, of not more than 2.0 m in height along the side abutting the single detached dwelling;

- (3) In the case of commercial, public and quasi-public uses abutting a residential area, a solid fence shall be provided of at least 1.5 m in height and no higher than 2.0 m along the sides abutting the residential area;
- (4) Notwithstanding Subsection 8.10(3), the maximum height of a fence in an Industrial or Urban Reserve District shall be determined by the Development Authority. Where a fence has been permitted to be higher than 2.0 m in an Industrial or Urban Expansion District, no barbed wire fences shall be permitted below a height of 2.0 m. This requirement may be relaxed by the Development Authority at his/her discretion in an area where residences would not be in close proximity to the fence proposed;
- (5) No electrification of fences shall be permitted in any district; and
- (6) No barbed wire fences shall be permitted in residential districts.

**FIGURE 8.10.1 – FENCE DIAGRAM**

### 8.11 FLOODPLAIN DEVELOPMENT

- (1) Notwithstanding 8.6, the Development Authority may require reports to be submitted by qualified consultants to help determine the setback distance from water bodies. The setback may be reduced if supported by a report submitted by a qualified engineer.
- (1) Notwithstanding Subsection 8.11(1) no new development or the expansion of existing development shall be allowed within the 1:100 year flood plain of any watercourse or water body as determined by Alberta Environment.

### 8.12 LANDSCAPING

- (1) A landscaping plan may be required by the Development Authority. If required, a landscaping plan shall contain the following information for the site and adjacent boulevards: (a) all physical features, existing or proposed, including shrubs, trees, flower beds, berm contours, walls, fences, outdoor furniture, surface utilities, and decorative paving; with (b) all shrubs and trees, whether existing or proposed labelled by their common name and size.
- (2) As a condition of the development permit, all landscaping and planting required must be carried out to the satisfaction of the Development Authority, and within one year of occupancy or commencement of operation of the proposed development. All plant material shall be hardy to the Village of Lougheed.
- (3) The Development Authority may impose conditions requiring the retention or removal of trees, as well as additional tree planting.
- (4) A minimum of 30% soft surfaced green landscaped features (i.e. grass, shrubs and trees) shall be maintained in all residential front yards.
- (5) Development Permits are required for all retaining walls over 60 cm (2 feet).

### **8.12 LIMITED ACCESS TO MAJOR ROADS**

- (1) No access for vehicles will be permitted from an arterial road as designated by the Municipal Development Plan, or Area Structure Plans to:
  - (a) Any residential site, unless the access serves three or more dwelling units; or
  - (b) Any site, unless turning space is provided on the site such that vehicles entering upon the site may turn before re-entering the street; or
  - (c) Any site where, in the opinion of the Development Authority, there would be an excessive number of access points approved by Alberta Transportation.
- (2) Access to Highways 13 and 870 shall be limited to arterial roads, collector and services roads, and where no service roads are provided, access shall be limited to those access points approved by Alberta Transportation.

### **8.14 OBJECTIONABLE ITEMS IN YARDS & APPEARANCE**

- (1) No person shall keep or permit in any part of a yard in any residential district:
  - (a) Any dismantled or wrecked vehicle for more than fourteen (14) successive days; or
  - (b) Any object or chattel which, in the opinion of the Development Authority, is unsightly or tends to adversely affect the amenities of the district; or
  - (c) Any excavation, storage or piling up of materials required during the construction stage unless all necessary safety measures are undertaken, and the owner of such

materials or excavations assumes full responsibility to ensure the situation does not prevail any longer than reasonably necessary to complete a particular stage of construction work; or

- (d) Any vehicle not parked on a prepared hard surface (i.e. concrete pad or gravel) in the front yard; or
  - (e) A commercial vehicle loaded or unloaded of a maximum weight in excess of 2000 kg; or
  - (f) A commercial vehicle in a front yard; or
  - (g) A recreational vehicle in the front yard of a laned subdivision.
  - (h) Contravene the Village of Loughheed Nuisance or Unsightly Premises Bylaw.
- (2) No person maintaining more than one recreation vehicle or more than two (2) motor vehicles in a residential district shall allow them to be kept in a manner which, in the opinion of the Development Authority is unsightly or tends to adversely affect the amenities of the district.
- (3) No Recreational Vehicle may be parked, kept or stored outside on any parcel in Village for the purposes of human habitation for more than 72 hours.
- (4) The quality of exterior treatment and design of all buildings shall be to the satisfaction of the Development Authority for permitted uses and discretionary uses.

### **8.15 ON-SITE AND OFF-SITE SERVICES AND IMPROVEMENTS**

- (1) Where any on-site services or improvements, or any off-site local improvements are required to service a proposed development, a person shall not begin the excavation for the foundation nor commence the development until the Development Authority or is satisfied that such services will be provided or improvements will be undertaken.
- (2) No new development permits shall be issued for a development to be served by private sewer and water systems until the systems have been approved by the appropriate Municipal or Provincial authorities having jurisdiction.

### **8.16 PROJECTIONS OVER YARDS**

- (1) The following encroachments into required front, side and rear yard setbacks in land use districts may be permitted for canopies, balconies, eaves, box-outs, chimneys, gutters, sills, steps/stairs, and, in addition, cantilevers may be permitted to encroach into the front and rear yards only:
- (a) Front Yard: 2.0 m for balconies; and 1.0 m for cantilevers, eaves, gutters, landings, and window sills (see Figure 8.17.1).
  - (b) Rear Yard: 2.0 m for balconies; and 1.0 m for box-outs, cantilevers, eaves, gutters, landings, and window sills (see Figure 8.17.2).

- (c) Side Yard (Interior): 1.0 m for balconies; and 0.6 m for box-outs, eaves, gutters, landings and window sills (see Figure 8.17.1).
  - (d) Side Yard (Exterior): 1.0 m for balconies; and 0.6 m for box-outs, cantilevers, eaves, gutters, landings and window sills (see Figure 8.17.2).
- (2) For multi-attached dwellings, balconies and decks may be extended to the lot line or common wall, provided that the common wall is extended for separation/privacy.
  - (3) No projection will be permitted if, in the opinion of the Development Authority, it may interfere with a loading space, parking area, driveway, or other vehicle or pedestrian circulation or access.
  - (4) No projection will be permitted into the side yard required for vehicular access to the rear yard, unless a minimum vertical height of 3.0 m from finished grade to the lowest point of the projection is maintained.
  - (5) The projection length limitations are as follows:
    - (a) The individual projection maximum length shall not exceed 3.0 m; and
    - (b) The sum of all projections maximum length shall not exceed one-third (1/3) of the length of the building wall (not including the garage walls). This does not apply to front or rear yards.

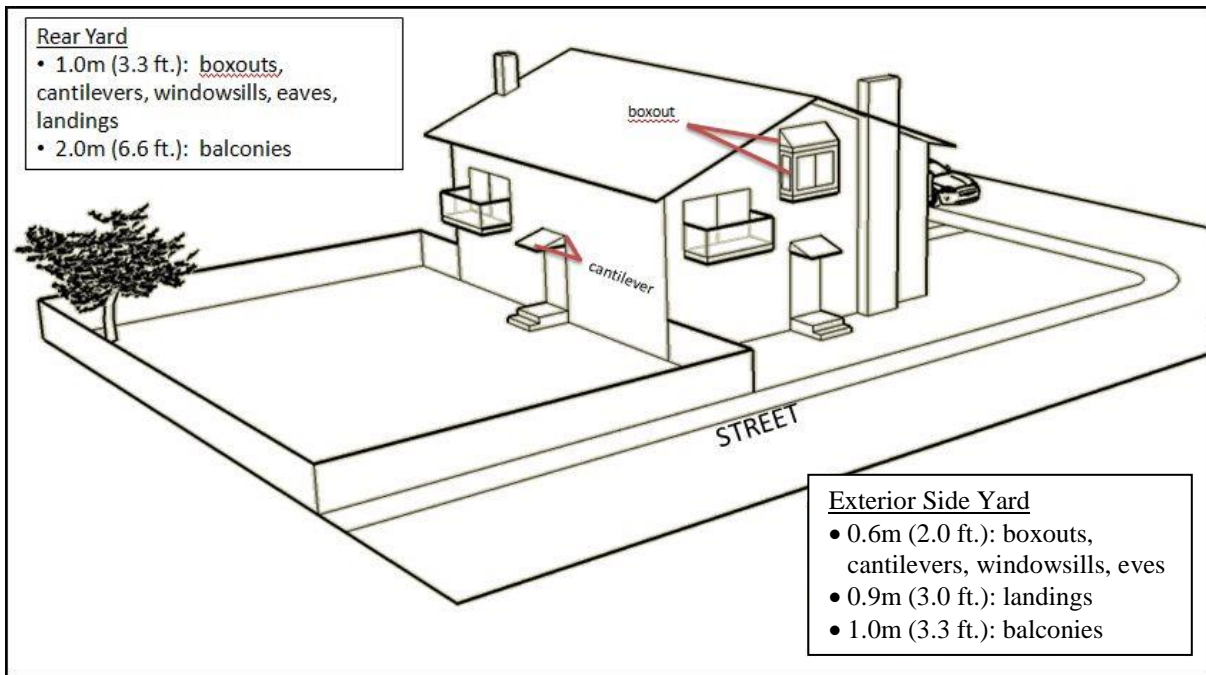

FIGURE 8.16.2: PERMITTED PROJECTIONS – REAR AND EXTERIOR SIDE YARD SETBACK

### 8.17 PUBLIC LANDS AND VILLAGE BOULEVARDS

- (1) There shall be no unauthorized encroachments onto municipal property, including parks and road rights-of-way. Where an encroachment exists without Village approval, the owner shall be required to remove the encroachment at his/her own expense, or seek permission from the Council for the encroachment to remain.
  - (a) There shall be no encroachments into Alberta Transportation Highway Right-Of-Ways without written approval from Alberta Transportation.
- (2) All encroachment agreements approved by council shall be registered on title.
- (3) All developments on lands owned by the Village of Lougheed shall not require a development permit.
- (4) Notwithstanding 8.17(1), the owner(s) of a lot may develop the boulevard abutting their property by excavating, backfilling, levelling or consolidating to final grade, and seed or perform other works that may be necessary to develop a turf boulevard provided that all work shall be entirely at the owner’s expense.
- (5) Any development, planting or other development not authorized by a development permit shall be done at the owner’s risk, and any damage to municipal services caused by the

growth, removal or maintenance of such development shall be the responsibility of the owner.

- (6) Every owner or occupant of land shall be responsible for maintaining any development allowed under this Section, and for controlling the weeds on boulevards owned by the Village abutting their property.

### **8.18 PUBLIC UTILITY BUILDINGS AND EASEMENTS**

- (1) Notwithstanding other regulations in this Bylaw, a person erecting a public utility facility or placing utility equipment on a site shall cause it to be placed in a location and with yard setbacks which are satisfactory to the Development Authority.
- (2) Utility lots, utility buildings and publicly owned buildings may be permitted in any district.
- (3) Subject to the conditions of a utility easement, no permanent structure other than a fence shall be constructed or placed on that utility easement unless:
  - (a) In the opinion of the Development Authority the said structure does not restrict access to the utility easement for the purpose of installation and maintenance of the utility; and
  - (b) Written consent has been obtained from the person whose use the easement has been granted.

### **8.19 RELOCATION OF BUILDINGS OR STRUCTURES**

- (1) No person shall:
  - (a) Place on a lot a building which has previously been erected or placed on a different lot; or
  - (b) Alter the location on a lot of a building which has already been constructed on that lot,
  - (c) Unless the Development Authority approves the placement or alteration.
- (2) An approval shall not be granted under Subsection (1) above unless the Development Authority is satisfied that:
  - (a) The placement or location of the building would meet the requirements of the Bylaw; and
  - (b) The building and the lot meet the requirements of this Bylaw and the land use district in which it is proposed to be located.
- (3) Before considering any application for a Moved-in Building and in addition to the requirements of Section 8.19(1) and Section 8.19 (2), the Development Official shall require a development permit application that includes:
  - (a) Recent colour photographs of all elevations including additions;
  - (b) A statement of the age, size, and structural condition of the building; and

- (c) Documentation from a certified safety code officer that the building meets the requirements of the Safety Codes Act or, if it does not, how the building will be brought up to these requirements.
- (4) As a condition of issuing a development permit approval for a Moved-In Building, the Development Authority shall require a letter of undertaking (agreement) and the posting of security in the form of an irrevocable letter of credit or cash, in the amount of the total estimated costs to relocate the building, to be provided prior to the issuance of a building permit and the building being moved on site. This security will ensure that any required modifications to the design, construction, siting, finishing and cladding of the relocated building are completed.
- (5) The conditions shall be completed within one year of the issuance of the development permit, as determined by the Development Authority.
- (6) The security will be released once all the conditions have been completed by the applicant to the satisfaction of the Development Authority, and are met within the time frame as set out in the development permit.
- (7) Upon expiry of the Development Permit, if the required work has not been completed to Village's satisfaction, the Village may use the security to have the work completed and bring the building into compliance.
- (8) The applicant shall be advised not less than 30 days prior to the expiration time set out in the development permit, that action will be undertaken by the Village to use the security in completing the required renovations if they have not been completed by the expiration date. Only Council may direct Administration to delay action to complete the requirements of the permit.

## **8.20 RESIDENTIAL AND INDUSTRIAL USES ADJACENT**

- (12) In considering subdivision or development permit applications for residential uses adjacent to existing industrial developments or industrial uses adjacent to existing residential developments, the Development Authority may impose conditions addressing:
  - (a) Providing proper services and access to the site,
  - (b) Screening, aesthetics and landscaping,
  - (c) Control of signage,
  - (d) Noise control,
  - (e) A development agreement, with the need to provide security, and
  - (f) Any other issue deemed necessary by the Development Authority.

## PART 9 – SPECIFIC USE REGULATIONS

  - (d) Any storage of materials or goods related to the home occupation must be located within the principal dwelling and/or accessory structure and no exterior storage is permitted.
  - (e) The home occupation shall have no more than two (2) home occupation vehicles used in conjunction with the home occupation, parked and maintained on site. There shall be no heavy vehicles (> 4,500 kg or 9,900 lbs) parked on-site of a home occupation.

## 9.6 MANUFACTURED HOMES

- (1) Development Permits for a Manufactured home units shall have:

- (a) Third party certification from an accredited inspection agency including the Canadian Standard Association (CSA), Intertek or Quality Auditing Institute (QAI).
  - (b) Alberta Municipal Affairs Label.
  - (c) Model number.
  - (d) Manufactured home unit serial number.
- (2) All accessory structures, such as patios, porches, additions and skirtings, shall be
- (a) Factory-prefabricated units or the equivalent thereof, and so designed and erected as to harmonize with the manufactured home units,
  - (b) Considered as part of the main building, and
  - (c) Erected only after obtaining a Development Permit.
- (3) A manufactured home unit shall be skirted from the floor level to the ground level. The skirting shall compliment the external finish of the manufactured home unit.
- (4) The maximum permitted floor area of porches and additions shall be no more than 50% of the floor area of the manufactured home unit.
- (5) No accessory building or use, other than parking spaces, shall be located in the front yard of a manufactured home unit.
- (6) Furniture, domestic equipment, or seasonally-used equipment shall be stored in adequate covered storage or screened area, either individually on the stall or lot or communally, which storage facility shall conform to the regulations passed under the Safety Codes Act.
- (7) The following regulations apply to all manufactured home units:
- (a) The hitch and wheels are to be removed from the manufactured home unit.
  - (b) All manufactured home units shall be placed on a foundation or screw-piles.
  - (c) The lot or stall is to be fully landscaped within one (1) year from the date of issuance of the development permit for the manufactured home unit.

## 9.7 SOLAR COLLECTORS

- (1) A solar collector may be located on the roof or wall of a building or structure.
- (2) A solar collector mounted on a roof with a pitch of less than 4:12, may project:
  - (a) A maximum of 0.5 m from the surface of a roof, when the solar collector is located 5.0 m or less from a side lot line, measured directly due south from any point along the side lot line; and
  - (b) In all other cases, maximum of 1.3 m from the surface of a roof.
- (3) A solar collector mounted on a roof with a pitch of 4:12 or greater, may project a maximum of 1.3 m from the surface of a roof.

- (4) A solar collector mounted on a roof must not extend beyond the outermost edge of the roof.
- (5) A solar collector that is mounted on a wall:
  - (a) Must be located a minimum of 2.4 m above grade; and
  - (b) May project a maximum of:
    - (i) 1.5m from the surface of that wall, when the wall is facing a rear lot line; and
    - (ii) In all other cases, 0.6 m from the surface of that wall.
- (6) A solar collector mounted on a structure must meet yard setback and district height regulations.

## **9.8 USES PERMITTED IN ALL LAND USE DISTRICTS**

- (1) The following Uses are permitted in all Land Use Designations:
  - (a) Public utility;
  - (b) Road;
  - (c) Highway; and
  - (d) Park.

## PART 10 – PARKING & LOADING FACILITIES

### 10.1 PARKING FACILITIES – GENERAL REGULATIONS

- (1) Parking stalls and loading spaces shall be clearly marked in the parking facility. Such marking shall be regularly maintained to ensure legibility to users and shall be to the satisfaction of the Development Authority.
- (2) All off-street parking facilities shall be so constructed that:
  - (a) Necessary curb butts are located and flared to the satisfaction of the Development Authority;
  - (b) Every off-street parking space provided, and the access thereto, shall be hard-surfaced if the access is from a street or lane which is hard-surfaced;
  - (c) Parking facilities used at night shall have adequate lighting for the entire parking facility. Such lighting shall be directed away from adjacent residential properties and other properties where in the opinion of the Development Authority they would have adverse effects;
  - (d) Grades and drainage shall dispose of surface water. In no case shall grades be established that would permit surface drainage to cross any sidewalk or site boundary without the approval of the Development Authority; and
  - (e) Parking for the physically handicapped shall be provided as provincial regulations require and shall be considered as part of the number of stalls required for the project.
- (3) Where a proposed development will, from time to time, require pick-up or delivery of commodities, adequate space for the loading and unloading of same shall be provided and maintained on the site to the satisfaction of the Development Authority.
- (4) Pursuant to 10.1(3), the Development Authority shall consider the following criteria when reviewing off-street loading regulations:
  - (a) Off-street loading spaces shall have dimensions of not less than 4.0 m in width and 8.0 m in length;
  - (b) Have overhead clearance of not less than 5.3 m above grade;
  - (c) Have vehicular access to and exit from a street or lane wither directly or by a clearly defined traffic aisle;
  - (d) Be sited at an elevation or elevations convenient to a major flood level in the building or to a utility elevator serving each major flood level;
  - (e) Be so graded and drained as to dispose of all surface water. In no case shall grades be established that would permit drainage to cross site boundaries or sidewalks without the approval of the Development Authority or Municipal Planning Commission;
  - (f) Be paved or hard-surfaced where an off-street parking facility is required to be paved or hard-surfaced;
  - (g) Have adequate lighting to the satisfaction of the Development Authority or Municipal Planning Commission; and

- (h) Be screened on each side adjoining or fronting on any property in a residential district by a wall, fence, earth berm or hedge of not less than 2.0 m in height, to the satisfaction of the Development Authority or Municipal Planning Commission.

## **10.2 PARKING AREAS**

- (1) Unless otherwise approved by the Development Authority, each development shall provide on its site a parking area containing, at a minimum, the number of parking spaces as calculated in Table 10.2.1.

Table 10.2.1 – Parking Requirements

Use of a Building or Site	Minimum Number of Parking Spaces
<b>Residential Uses</b>	
Multi-family dwellings	2 per dwelling unit
Seniors apartments	1 per dwelling unit, or as required by the Development Authority
Boarding houses	1 per bedroom
Senior citizen homes	1 per dwelling unit
Secondary suites	1 per bedroom
All other dwellings	2 per dwelling unit
Manufactured home parks	In addition to 2 per dwelling unit, 1 visitor parking space per 4 manufactured home units
<b>Commercial and Industrial Uses</b>	
Cannabis Production Facilities	1 per 100 m <sup>2</sup> (1,076 ft <sup>2</sup> ) of gross floor area for the first 2,000 m <sup>2</sup> , and then 1 per each subsequent 500 m <sup>2</sup>
Eating and drinking establishments	1 per 5 seating spaces
Eating and drinking establishments (take out)	1 per 13 m <sup>2</sup> (140 ft <sup>2</sup> ) of gross leasable area plus 1 per 3 employees on maximum shift
Drive thru restaurants	2 per drive thru window
Other drive thru businesses	2 per drive thru window
Hotels and motels	1.5 per rentable unit
Bed and breakfast	1 per bedroom
Home occupations	1 in addition to the requirements for the residential use
All other commercial uses	1 per 28 m <sup>2</sup> (301.4 ft <sup>2</sup> ) of gross leasable area
All industrial uses	1 per 46 m <sup>2</sup> (495 ft <sup>2</sup> ) of gross leasable area
<b>Institutional Uses</b>	
Places of Public Assembly	1 per 5 seating spaces
Schools (elementary/junior high)	2 per classroom
High schools	3 per classroom
Commercial schools	1 per student
Hospitals and similar uses	2 per bed
Nursing homes	0.75 per bed

- (a) In the case of a use not specifically mentioned, the required number of on-site parking spaces shall be the same as for a similar use as determined by the Development Authority.

- (b) Where a development contains more than one use as listed, the required number of parking spaces shall be the sum of the requirements for each of the uses listed.
  - (c) Where a fractional number of parking spaces are required, the next highest number of spaces shall be provided.
  - (d) If the Development Authority approves, one or more developments or uses may pool their minimum required parking spaces within one or more communal parking areas and may thereby collectively fulfill the requirements of this Bylaw.
- (2) At the discretion of the Development Authority, minimum parking requirements may be relaxed to match the existing on-site parking provided where historical site design is not being altered, and cannot accommodate the required number of parking stalls.
- (3) Surfacing and Drainage
- (a) All parking areas shall be clearly marked, landscaped and adequately lit with lighting away from adjacent sites, adequately graded and drained to dispose of all stormwater run-off, contain the necessary curb cuts, and surfaced in a manner to match the road or lane from which the parking area gains access.
  - (b) The approach or access to every off-street parking area shall be surfaced in the same manner as the adjoining road from which access is gained.
  - (c) Drainage shall only be allowed to cross sidewalks if approved by the Development Authority.
- (4) All parking areas shall conform to the requirements shown in Table 10.2.2 and Figure 10.2.3.

## PART 11 – SIGNS

### 11.1 PURPOSE

- (1) The purpose of this Chapter is to regulate the development and display of signage within the Village of Loughheed. This Chapter provides signage development standards related to:
  - (a) Location.
  - (b) Type.
  - (c) Quantity.
  - (d) Height.
  - (e) Size.

### 11.2 DEFINITIONS

- (1) For the purpose of this Part the following definitions shall apply, in addition to those contained in Section 2.2:
  - (a) “A-Frame Sign” means a temporary, movable, self-supporting A-shaped sign consisting of two flat surfaces joined at the upper end and resting on the ground
  - (b) “Awning Sign” means a non-illuminated sign painted on the fabric surface supported by an exterior wall of a building
  - (c) “Billboard” means a structure, primarily self-supporting, which is used for the display of general advertising, the subject matter of which is not necessarily related to the use or ownership of the property on which the structure is located
  - (d) “Building Face” means the total area of the wall of a building
  - (e) “Copy” means the text, illustrations and symbols that make up the message on a sign
  - (f) “Dynamic Sign” means a sign or portion of a sign with features that move or appear to move or change, whether the apparent movement or change is in the display, the sign structure itself, or any other component of the sign. A Dynamic Sign includes any display that incorporates a technology or other method allowing the image on the sign face to change, such as rotating panels, LED lights manipulated through digital input, or “digital ink”. A Dynamic Sign does not include a sign whose message or image is changed by physically removing and replacing the sign or its components.
  - (g) “Electronic Message Centre” means a sign or component of a sign on which the copy can be changed by electrical or electronic means.
  - (h) “Freestanding Sign” means a sign on a standard or column permanently attached to the ground and which is not connected in any way to any building or other structure
  - (i) “Identification Sign” any sign which is used to display the address, and name of a building or parcel of land
  - (j) “Illuminated Sign” means any sign illuminated either directly from a source of light incorporated in or connected with the sign, or indirectly from an artificial source
  - (k) “Portable Sign” means a sign, excluding A-board and temporary signs that can be carried or transported from one site to another

- (l) "Projecting Sign" means a sign, which is attached to a building or structure so that part of the sign projects beyond the face of the building or structure
- (m) "Real-Estate Sign" means any temporary sign which advertises for the sale, lease, or rent of a building or parcel of land
- (n) "Roof Sign" means any sign placed on or over a roof
- (o) "Rotating Sign" means any sign or part of a sign which moves in a clockwise or counter-clockwise motion
- (p) "Sign" means any word, letter, model, picture, symbol, device or representation used as, or which is in the nature of, wholly or in part, an advertisement, announcement or direction. Any structure, or portion thereof, which is used primarily to carry, hold, maintain, support or sustain a sign is construed as being part of the sign, and except as provided for in this Bylaw, is subject to all regulations governing signs.
- (q) "Sign Area" means the total surface area within the outer periphery of the said sign, and in the case of a sign comprised of individual letters or symbols, shall be calculated as the area of a rectangle enclosing the letters or symbols. Frames and structural members not bearing advertising matter shall not be included in computation of surface area.
- (r) "Sign Height" means the vertical distance measured from natural grade at the base of the sign to the highest point of such sign.
- (s) "Temporary Sign" means a sign or banner that is not permanently installed or affixed, advertising a product, activity or event on a limited time basis and does not include a portable sign.
- (t) "Third Party Sign" typically associated with a "Billboard Sign" means a sign, which directs attention to a business, commodity, service, or entertainment conducted, sold or offered at a location other than the premise on which the sign is located
- (u) "Vehicle Sign" means a sign mounted, posted or otherwise adhered on or to a motor vehicle, including but not limited to trailers, wagons, tractors, and recreational vehicles
- (v) "Wall Sign" means a sign placed flat and parallel to the face of the building so that no part projects more than one foot from the building
- (w) "Window Sign" means a sign which is painted on or affixed to a window and faces towards an adjacent sidewalk or roadway

### 11.3 SIGNS

- (1) Development Permit Required:

- (a) Except as stated in Section 10.3(2), no sign shall be erected or altered on land or affixed to any exterior surface of a building or structure unless a sign permit for this purpose has been issued by the Development Authority
  - (b) Unless otherwise specified in this Bylaw a permit is required for the following signs:
    - (i) Free standing sign
    - (ii) Wall sign
    - (iii) Canopy sign
    - (iv) Rotating sign
    - (v) Projecting sign
    - (vi) Roof sign
    - (vii) Billboard sign
    - (viii) Portable sign
    - (ix) Dynamic sign
- (2) Unless otherwise specified in this Bylaw no development permit is required for the following signs:
- (a) Signs posted or displayed within the interior space of a building
  - (b) Signs posted or displayed in or on an operating motor vehicle if the vehicle is not temporarily or permanently parked solely for the purpose of displaying the sign
  - (c) A statutory or official notice of a function of the Village
  - (d) Signs posted by a municipal, provincial, or federal government agency
  - (e) Traffic and directional signs authorized by the Village and/or Alberta Provincial Authorities
  - (f) The erection of campaign signs for federal, provincial, municipal, or school board elections on private properties for no more than thirty (30) days, or such other time as regulated under provincial or federal legislation provided that
    - (i) Such signs are removed within ten (10) days of the election date
    - (ii) The consent of the property owner or occupant is obtained
    - (iii) Such signs do not obstruct or impair vision or traffic
    - (iv) Such signs are not attached to utility poles
    - (v) Such signs indicate the name and address of the sponsor and the person responsible for removal
  - (g) A non-illuminated sign that is posted or exhibited solely for the identification of the address or name of the land or building on which it is displayed including signs identifying the occupants, if the sign:
    - (i) Does not exceed 1.0 m<sup>2</sup> in area, and
    - (ii) Is posted only at each entrance from which access from a public roadway to the building is provided
    - (iii) Does not advertise for a home-based business or bed and breakfast establishment
  - (h) A non-illuminated sign that is posted or exhibited for sale, lease or rentals of land or a building if the sign:

- (i) Is 3.0 m<sup>2</sup> of less in area
- (ii) Is posted only on each side of the building or land facing a different public roadway
- (i) Window Sign
- (j) An A-Frame sign:
  - (i) Provided it is advertising for goods or services which are located for sale or offered on the same lot or on a sidewalk adjacent to the same lot
  - (ii) Does not obstruct vehicular or pedestrian traffic
- (k) A non-illuminated sign of a building contractor relating to construction work in progress on the land on which such signs are erected, provided that:
  - (i) Such signs are removed within fourteen (14) days of occupancy, and
  - (ii) Such sign are limited in size to a maximum of 3.0 m<sup>2</sup>, and in number to one sign for each boundary of the property under construction which fronts onto a public street.
- (l) A non-illuminated temporary sign advertising a garage sale, estate sale or open house. Such signs may be posted for a maximum period of 48 hours, and may not exceed 1.0 m<sup>2</sup> in area or 1.0 m in height.

#### 11.4 SIGN DEVELOPMENT PERMIT SUBMISSION

- (13) An application for a Development Permit to structurally alter or erect a Sign that requires a Development Permit shall be made to the Development Authority and shall include the following:
- (a) A letter of consent from the registered owner of the land or building upon which the sign will be located.
  - (b) A letter outlining the contact information of the owner of the Sign.
  - (c) The location of all existing and proposed Signs on the building façade or on a site plan of the parcel indicating the front and side property lines, setbacks and distances from existing buildings.
  - (d) Two copies of a rendering / illustration of the proposed Sign with dimensions and total Sign Area, height of top and bottom of the Sign above average ground level and thickness of the Sign.
  - (e) Materials, finishes, colours, size of lettering and graphics.
  - (f) Mounting or installation details: the Development Authority may require that a structural drawing be prepared and sealed by a Professional Engineer.
  - (g) Mounting height or clearance to grade.
  - (h) The appropriate fee.

#### 11.5 PROHIBITED LOCATION

- (1) No part of any sign, including any accessory components, shall be located on any roadway, boulevard, sidewalk. Only 'A-Frame' type signs may be permitted on a sidewalk abutting a business but must first receive the written consent of the Development Authority.

- (2) No part of any sign, including any accessory components, shall be located on any land owned by the Development Authority without a council motion granting use of the land prior to the Development Authority issuing a Development Permit.

**11.6 SIGN DEVELOPMENT STANDARDS**

- (1) Unless provided elsewhere in this Bylaw, signs shall be erected in accordance with the standards specified in Table 11.6.1.

Table 11.6.1 – Sign Development Standards

<sup>**</sup> = Refers to the minimum vertical clearance from grade or, if applicable, a sidewalk to the bottom of the sign												

- (2) In addition to the standards specified in Table 3, the following regulations will also apply:
- (a) Awning/Canopy Sign
    - (i) No portion of the canopy/awning shall be closer than 600 mm to a vertical line drawn from the adjacent curb.
  - (b) Billboard Sign

- (i) Where a billboard shares a lot with a building, no billboard shall be located in the front or side yard which runs parallel to an adjacent roadway.
  - (ii) Billboards shall be spaced at a distance of 90 metres from one another.
  - (iii) Where a portable sign is serving as a billboard it shall be spaced 45 metres from other portable or permanent signs serving as billboards.
- (c) Dynamic Signs
- (i) No Dynamic Sign may be erected except as permitted in this Section;
  - (ii) The Development Authority shall only approve a Dynamic Sign as a portion of a permitted Community, Canopy, Free Standing or Fascia Sign.
  - (iii) A Dynamic Sign may display public service announcements, but shall not include third party advertising or sponsor recognition except when it is located on a site in a Public Service (PS) district.
  - (iv) Dynamic Signs shall only be permitted as a discretionary use in Commercial, Industrial and Public Service Districts, and must meet the following requirements:
    - (1) not be located within 30.0 m radius of a residential district, and when site or lot of a proposed dynamic sign location is adjacent to a residential district, notification will be sent within a 100.0 m radius of the proposed site,
    - (2) be limited to one sign per building or site, with the exception of Public Service sites over 17 ha will be limited to two (2) signs provided that one of the signs must be a fascia sign and the other must be a portion of a freestanding sign, and further provided that the two (2) signs must be at least 50.0 m apart,
    - (3) not be located on a lot within a 50.0 m radius of the boundary of a lot containing an existing dynamic sign,
    - (4) comprise of not more than 25% of the total freestanding or fascia sign area.
  - (v) A development permit for a dynamic sign shall be valid for a maximum of two (2) years, at which time a new permit must be applied for. The conversion of an existing sign to a dynamic sign shall require a development permit.
  - (vi) Any digital sign located within 50 m of a residential district may be subject to restricted operating hours at the discretion of the Development Authority.
  - (vii) The use, size and location of digital signs must comply with all other relevant municipal and provincial regulations.
  - (viii) The sign panel does not contain or display flashing, intermittent, or moving lights, including animated or scrolling text.
  - (ix) A sign panel provided as a public service showing the time and temperature shall not be considered a flashing or moving sign.
  - (x) The sign content remains fixed/static for a minimum message display duration, where:  $\text{Min. Display Duration (sec)} = \text{Sight distance to sign (m)} / \text{Speed limit (m/sec)}$ .
    - (1) In lower speed areas, the formula above should be used with a minimum sight distance to sign of 350 m.

- (2) In areas with speed limit  $\geq 80$  km/h, the minimum message display duration is 60 seconds, unless the sight distance to the sign is less than 1 kilometre
  - (xi) When a message is changed electronically, it must be accomplished within an interval of 0.1 seconds or less so that an approaching driver cannot perceive any blanking of the display screen.
  - (xii) There shall be no visual effects between successive displays.
  - (xiii) The sign panel must contain a default design that will freeze the sign panel message in one position if a malfunction occurs.
  - (xiv) The sign panel shall be equipped with a control system that automatically adjusts light emission level to ambient light conditions so as not to cause glare or excessive brightness.
  - (xv) In no case shall the light level of any sign panel exceed 300 nits (candelas per square metre) between the time of sunset and sunrise, nor 5,000 nits at other times.
  - (xvi) The sign must not diminish the conspicuity of nearby traffic control devices.
  - (xvii) In cases where the sign is adjacent to an Alberta Transportation right-of-way, Alberta Transportation shall have the ongoing discretion to require the brightness, frequency, colours or other qualities of the sign panel be adjusted in order to address safety concerns.
  - (xviii) All dynamic sign applications fronting onto Alberta Transportation roadways shall be circulated to Alberta Transportation for comment.
- (d) Freestanding Signs
- (i) No freestanding sign shall be located within 10 m of the intersection of lanes/streets, or a street or lane.
  - (ii) For any lot located in the C2 or M designations, one Freestanding Sign shall be permitted for every 90 metres of frontage.
  - (iii) Illuminated Freestanding Signs shall be permitted only in C1, C2 and M designations.
  - (iv) Copy is permitted on both sides of Freestanding Signs, including signs angled up to 90 degrees, therefore allowing the Sign Area to be double the permitted Sign Area.
  - (v) Freestanding Signs shall not be located closer than 1.0 m to any front, rear, or side property line.
  - (vi) In accordance with Alberta Transportation's setback requirements where abutting a highway.
- (e) Wall Signs

- (ii) Wall signs shall not project more than 0.4 m horizontally from the Building Face to which it is attached.
  - (iii) Illuminated Wall Signs shall be permitted only in C1, C2, and M designations.
- (f) Portable Signs
  - (i) Copy is permitted on both sides of Projecting Signs, therefore allowing the Sign Area to be double the permitted Sign Area.
  - (ii) Maximum one (1) Portable Sign shall be displayed per lot.
  - (iii) Portable Signs shall not be located within a required off street parking space or a driveway.
- (g) Projecting Signs
  - (i) Copy is permitted on both sides of Projecting Signs, therefore allowing the Sign Area to be double the permitted Sign Area.
  - (ii) The height of a Projecting Sign shall refer to the minimum vertical clearance from grade or, if applicable, a sidewalk, and shall be a minimum of 2.5m.
- (h) Temporary Signs
  - (i) Large Temporary Signs relating to the sale or renting of land, the sale of goods or livestock, the carrying out of building or similar work, or announcement of any local event must obtain a development permit and meet the following conditions:
    - (1) Maximum two (2) Temporary Signs not exceeding a total Sign Area of 9.0 m<sup>2</sup>;
    - (2) Copy is permitted on both sides of the Temporary Sign, including signs angled up to 90 degrees, therefore allowing Sign Area to be double the permitted Sign Area;
    - (3) The maximum Sign Height shall not exceed 6.0 m;
    - (4) The Temporary Sign shall be removed by the advertiser within fifteen (15) days of the completion of the event, sale, or works to which such signs relate.
- (i) Signage for a Bed and Breakfast
  - (i) Each Bed and Breakfast homestay shall provide one (1) on-site Freestanding Sign for the purpose of identification and shall be regulated in accordance with the following requirements:
    - (1) The sign shall be located within the front yard and must be visible from a public road;
    - (2) The sign be attached to either existing fencing or on independent posts to the satisfaction of the Development Authority;
    - (3) The sign shall be constructed using high density plywood or solid wood and shall be finished with high density reflective finish or equivalent, with dye cut lettering or silk screen lettering.

## 11.7 ADDITIONAL SIGN REGULATIONS

- (1) All signs requiring a sign permit shall follow the development permit process as specified under Section 4.1 of this Bylaw.
- (2) Council may require the removal of any sign, which is in its opinion, has become unsightly, or is in such a state of disrepair as to constitute a hazard.
- (3) Quality, aesthetic character and finishing of sign construction shall be to the satisfaction of the Development Authority.
- (4) Where, in the opinion of the Development Authority, a proposed sign in a Commercial or Industrial District might be objectionable to a resident in any adjacent residential district, the Development Authority may impose such other regulations as they feel would protect the interests of residents.
- (5) Flashing, animated or interiorly illuminated signs shall not be permitted in any district where in the opinion of the Development Authority they might:
  - (a) Affect residents in adjacent housing, or residential districts;
  - (b) Interfere with or obstruct a motor vehicle driver's vision or interpretation of oncoming traffic signs or traffic signal lights.
- (6) Notwithstanding 11.7(5), no person shall exhibit or place an illuminated sign, rotating sign or dynamic sign that permits or provides for:
  - (a) A current interrupting or flashing device, unless there is a continuous source of concealed illumination on the translucent portions of the sign;
  - (b) A flashing beacon of a type that is the same or similar to those used by emergency vehicles;
  - (c) A flashing device, animator or revolving beacon within 50.0 m of the intersection of two or more public roadways;
  - (d) A device described in 11.7(5) that would be directly visible from any residential building within a distance of 50.0 m of the sign.
- (7) No person shall erect or place a sign so that it would be considered, in the opinion of the Development Authority, to be a traffic hazard or an obstruction to the vision of persons driving motor vehicles.
  - (a) Billboard signs, electronic signs, dynamic signs and rotating signs which are visible from Highway 21 and 53, but located outside of the Highway Right-Of-Way, shall be circulated to Alberta Transportation for comment.
- (8) Notwithstanding section 11.7(7) no the Development Authority may not approve any signs located within an Alberta Transportation Highway Right-Of-Way without written approval from Alberta Transportation.

- (9) The area around sign structures shall be kept clean and free of overgrown vegetation, and free from refuse material.
- (10) The Development Authority may at their discretion require an engineer-approved plan prior to the issuance of a sign permit in order to ensure the safety of a sign, awning or canopy design and placement.
- (11) Notwithstanding Part 4 of this Bylaw, the Development Authority may, with respect to an application for a sign permit,
  - (a) Grant a sign permit to an applicant subject to such conditions considered necessary to ensure this Bylaw is complied with;
  - (b) Refuse the application.
- (12) Offensive Signage
  - (a) No sign shall be erected which promotes intolerance, hatred or ridicule of any race, religion or other segment of society.

**PART 12 – DISTRICTS AND REGULATIONS**

**12.1 ESTABLISHMENT OF DISTRICTS AND DISTRICT REGULATIONS**

- (1) Land use district and land use regulations shall be set forth in Part 12 and may be amended in the same manner as any other Part or Section of this Bylaw.

**12.2 LAND USE DISTRICTS**

- (1) The Village is hereby divided into the following districts:

<b>Designation Name</b>	<b>Designation Acronym</b>
Residential	R1
Central Commercial	C1
Highway Commercial	C2
Industrial	M
Institutional and Public Space	IPU
Direct Control	DC

**12.3 LAND USE DISTRICT MAP**

- (1) Land use districts specified under 12.2 are described in the short form on the LAND USE DISTRICT MAP which is an integral part of this Bylaw.
- (2) Throughout this Bylaw and amendments thereto, a District may be referred to either by its full name or its abbreviation.
- (3) The district regulations are delineated on the LAND USE DISTRICT MAP. Where uncertainty arises as to the precise location of the property of any district, the following rules shall apply:
  - (a) Where a boundary is shown as following a street, lane, stream or canal, it shall be deemed to follow the centreline thereof.
  - (b) Where a boundary is shown as approximately following a lot line, it shall be deemed to follow the lot line.
  - (c) In circumstances not covered by 12.3(a) and 12.3(b) above the location of the district boundary shall be determined by:
    - (i) Where dimensions are set out on the Land Use District Map, by the dimensions so set, or

- (ii) Where dimensions are set out on the Land Use District Map with respect to such boundary, by measurement of and use of the scale shown on the Land Use District Map.
- (4) Where the application of the above rules does not determine the exact location of the boundary of a district, the Council either on its motion or upon written application being made to it by a person requesting the determination of the exact location of the boundary shall fix the portion of the district boundary in doubt or dispute in a manner consistent with the regulations of this Bylaw and the degree of detail as to measurements and directions as the circumstances may require.
- (5) After Council has fixed a district boundary pursuant to the provisions of 12.3, the portion of the boundary so fixed shall not be thereafter altered except by an amendment to this Bylaw.
- (6) The Council shall maintain a list of its decisions with respect to boundaries or portions thereof fixed by it.

**12.4 RESIDENTIAL (R1)**

**(1) Purpose**

The R1 – Low Density Residential designation is intended to accommodate the development of low-density residential development on moderately sized lots throughout the community.

**(2) Permitted and Discretionary Uses**

Table 12.4.1 outlines the permitted and discretionary uses contemplated in the R1 designation where approval is subject to the issuance of an authorized development permit.

The maximum lot coverage of buildings (principle and accessory) shall be in accordance with the following table:

**Table 12.4.4**

Use	Maximum Lot coverage (%)
Housing, single-detached	40%
Other principle uses listed in Table 12.4.1	40%

**(6) Front Yard Setback**

The minimum front yard setback shall be in accordance with the following table:

**Table 12.4.5**

Use	Minimum Front Yard Setback (m)
Housing, single-detached	6 m
Other principle uses listed in Table 12.4.1	6 m

**(7) Rear Yard Setback**

The minimum rear yard setback shall be in accordance with the following table:

**Table 12.4.6**

Use	Minimum Rear Yard Setback (m)
Housing, single-detached	6 m
Other principle uses listed in Table 12.4.1	6 m
Accessory buildings	1.0 m

**(8) Side Yard Setback**

The minimum side yard setback shall be in accordance with the following table:

**Table 12.4.7**

Use	Minimum Side Yard Setback (m)
Housing, single-detached (side property line of a flanking street)	3.0 m
Housing, single-detached (on one side of the lot where there is no road or lane access from the rear yard)	3.0 m
Other principle uses listed in Table 12.4.1	1.5 m
Accessory Buildings	1 m

**(9) Height**

The maximum building height shall be in accordance with the following table:

**Table 12.4.8**

Use	Maximum Building Height (m)
Housing, single-detached	11 m
Other principle uses listed in Table 12.4.1	11 m
Accessory Building	3 m

**(10) Additional Regulations**

- (a) Non-conforming uses in this designation shall be subject to the regulations in **3.3**.
- (b) Accessory uses in this designation shall be subject to the regulations as per **8.1**.

- (c) Landscaping in this designation shall be provided in accordance with the regulations in **8.12.**

## **12.9 DIRECT CONTROL (DC)**

### **(1) Purpose**

The DC – Direct Control designation is intended to provide control over the use and development of land or buildings for which Council has determined that, because of unique land use characteristics, innovative ideas, or special environmental concerns, such development could not be effectively accommodated under any other land use designation in this Bylaw.

### **(2) Development Authority**

- (a) The Development Authority in the DC District shall be the Council.

### **(3) Permitted and Discretionary Uses**

- (a) All permitted and discretionary uses shall be as prescribed in any previously written Statutory Plan.
- (b) In the absence of an adopted Area Structure Plan or Area Redevelopment Plan, any use which, in the opinion of the Development Authority, is compatible with the character of existing surrounding uses and adjacent designated Land Use Districts may also be allowed.

### **(4) Development Standards & Regulations**

- (a) The Development Authority may require additional information to properly evaluate the proposed development in terms of its compliance with this Bylaw, and any applicable Statutory Plan.
- (b) All development shall comply with the lot sizes, building setback requirements and other development criteria as prescribed in any applicable Statutory Plan or as determined by the Development Authority.
- (c) All other development requirements shall be at the discretion of the Development Authority. In determining the appropriate requirements for a development in the DC District, the Development Authority shall have regard to any provisions in this Bylaw for similar uses or developments.
- (d) In the absence of an adopted Area Structure Plan or Area Redevelopment Plan, the regulations which will be applied to a development will be those which, in the opinion of the Development Authority, are compatible with the character of existing surrounding uses and adjacent designated Land Use Districts.
