Charlotte Curtis has always been saving some newspaper clippings, funeral cards, Etc.. But has been in earnest since Aug. 2013 collecting every Obituary, Birth, marriage and Anniversary of people who were born, raised or died with the Flagstaff borders and around the fringe.

Charlotte is preserving them alphabetically on acid free paper with acid free plastic sleeves in large binders. She believes this will be great historical resource for anyone wanting to locate or learn about their ancestor both now and in the future. Many folks have the same idea of collecting these kind of items over the years and kept them in shoe boxes, albums etc. But when they pass on the family member often simply discards them for lack of knowing what else to do with them.

It would be most appreciated if you would like to contribute to this project of having everyone's clippings preserved and filed as one large resource for everyone to access (Be sure to make copies of any if you want for yourself.)

So far, in just over 6 years over 1000 obits have been collected in two near full binders! It is amazing! She is excited to include 1000's of write-ups of those who have passed on in previous years and are likely to be lost to trash if no one cares about them. Another binder is for wedding write-ups and Anniversary milestone pictures, including birth announcements.

PLEASE contact Charlotte at 780-889-2139 or 780-678-0141 or mail to Box 45 HEISLER, AB TOB 2A0.

Charlotte would also come and pick up, within the Flagstaff Region.
