Village of Lougheed's New CAO

I am very pleased to join the Village of Lougheed as CAO. I have spent the last 6 years working in the private sector, and taking courses in Municipal Administration. I will be graduating next spring with a CMMA from the University of Manitoba.

My wife Andy has been a Daycare Supervisor for the last few years, and currently has her Early Childhood Educator Level 2 certificate.

Our eldest daughter (Charlee) will be heading to Edmonton to begin to pursue her education in Psychology and eventually Speech Therapy. Our second (Ashley) and our son (William) will both be attending Central High Sedgewick Public School in the fall, with Ashley in Grade 11 and William in Grade 5.

Having spent the last 6 years in Winnipeg, MB, I am very happy to be back in rural Alberta, and I am looking forward to serving the citizens of Lougheed and do my part to make Lougheed the best Village we can be. If you have any questions, concerns, ideas or solutions on issues facing the Village, please feel free to come by the Village office anytime or call us. The more input we get from the citizens, the more effective we can be in our service to the Village. My thanks to everyone so far in welcoming me to Lougheed, and I look forward to meeting everyone I haven't met soon. I hope to see you on July 3rd at the Village of Lougheed Meet and Greet.
