Each of the candidates were asked the three following questions.

1. How long have you lived in Lougheed?
2. Why have you decided to run for Municipal Office?
3. What are your goals if you are successful in this election?

* The following are the answers provided by the candidates they have not been edited.

Terry Phoenix

1. Three years.
2. To try to make a difference.
3. Try to find ways to improve the Village finances, infrastructure improvements, find ways to save money to place in areas needing improvements, find ways to reduce taxes if possible and accountability to the electorate.

Susan Armer

1. My husband Tom and I were lucky to move to Lougheed just last July, but my family has been here since 1917!
2. I think its important to have a wide range of views involved in the decision making process. Lougheed has always been close to my heart and it would be a privilege to serve the community.
3. To be a positive voice for all of our Village. Supporting as array of opportunities while still sustaining Lougheed's history and natural settings.
