## The Important Things

Remember, if a dog was the teacher you would learn things like:

When loved ones come home, always run to greet them.

Never pass up the opportunity to go for a joyride.

Allow the experience of fresh air & the wind in your face to be pure Ecstasy.

Take naps. Stretch before rising.

Run, romp and play daily. Thrive on attention.

Avoid biting when a simple growl will do.

On warm days, stop to lie on your back on the grass.

On hot days, drink lots of water and lie under a shady tree.

When you're happy, dance around and wag your entire body.

Delight in the simple joy of a long walk. Be loyal.

Never pretend to be something you're not.

If what you want lies buried, dig until you find it.

When someone is having a bad day, be silent, sit close & nuzzle them gently.

**ENJOY EVERY MOMENT OF EVERY DAY!!**
